LIGHTWEIGHT CLASS REGULATIONS

Aligned with the Manx Grand Prix 2023 Lightweight class

The ARA Lightweight class allows machines that meet the MGP Lightweight and Ultra Lightweight eligibility regulations. The following list of eligible machines is taken from the MGP regulations:

1. Grand Prix 250cc machines – two-stroke twin cylinder racing machines manufactured up to 2010
2. Four-stroke single cylinder machines of unlimited capacity, including Moto3 250cc machines
3. Four stroke machines up to 400cc (max +1mm overbore)

For the avoidance of doubt, this allows the following:

- Supersport 400, including:
 - Honda VFR400 CBR400
 - Kawasaki ZXR400
 - Yamaha YZF400 etc
- New Supersport 300 machines, up to 400cc
