 - b. Dave Molyneux continue in the role as Vice President for another year.
8. Appointment of Accountant for the forthcoming year. The Committee propose that we move from the Atla Group to Cruinn Accounting.

9. Other business

- Fees:
 - No change to rider's membership (£40) or supporter's membership (£25)
 - No increase in race entry fees: £129 for first event and £30 for 2nd event and subsequent events
 - Foreign (inc UK) riders' entry fees stay the same at 75% of full fee
- Sidecar entries: the shortened 4 event season seemed to work in 2025, so we propose to do this again in 2026: March, April (for TT Mountain licence signatures) and the July 2-day event
- As in 2025, signatures for TT Mountain Course licence can be gained right up to the start of TT practice. ARA has three events before TT 2026
- Race Classes
Following analysis of entries across 2025
 - The Singles class doesn't have enough entries to justify a championship. Rider's with a single cylinder machine can still race it in the Singles, Twins & Triples event
 - The Supertwin class has weak entries. With the addition of Sportbike to MGP & TT in 2026, we plan to do the same, with the hope of making this a viable class again
 - Novice and Clubman class: the difference in speed between the fastest and slowest is significant, which combined with the limited experience of the riders causes concerns. Often close to ¼ of the grid gets lapped. We are considering making this into just a novice class
